The Kernel

Published by

Ritzville Senior High School Students

1943

Ritzville, Washington

Foreword

We, the creators of the annual, have herein endeavored to present a brief summary of our school activities and achievements during the year 1942-1943.

This resume of school life has been recorded to later be treasured in the memory of all.

In the development of the kernel of wheat into its matured state, much time, care, scientific study, and research is required of the agriculturist. This same process takes place in the molding of our young people into useful citizens through education and inspiration offered by the faculty and fellow students.

—Luverne Cuff.

Principal's Message

Our country is at war, and all good citizens are giving up many normal activities and serving in many capacities in the war effort. Only those school activities should be retained which serve an important educational purpose or which make a significant contribution to the building of good morale.

In dedicating this issue to the graduates in the service of our country, and in stressing the ways in which Ritzville High School is adapting herself to the needs of the hour, the staff of the Kernel are serving both these purposes well.

In the peace for which we all work and hope and pray, may you be able to feel that little glow of satisfaction that comes with a worthwhile job well done.

—H. A. Trimble.

. Dedication

Our annual the "Kernel" is most sincerely dedicated to all former members of the Ritzville High School Student Body who are now serving our country in time of war, and to those soon to enter the armed forces.

At present, many of our graduates are fighting on foreign soil, others are stationed at training camps and are on duty in our own country.

We, in behalf of the entire school, students and faculty, wish to convey the thought that although these graduates have left Ritzville High School, they will never be forgotten, and their service to our country will long be remembered.

The following list of boys are those who have entered the service before March 1, 1943:

—Luverne Cuff.

In Memoriam

Robert Dewayne Krause was born June 28, 1925. He was a member of the graduating class of this year. As a member of the student body, he participated in many activities. He was a member of the Red R Club, turned out for baseball, and made his letters in both football and boxing. He was outstanding in the latter. He was very talented and active in dramatics, taking part in the junior high plays and the Junior Class Play. His death came as a shock to all of his many friends, both in school and in the community.

—Arlene Schafer.

A Friend

All that he came to give,
He gave and went again:
I have seen one man live,
I have seen one man reign,
With all the graces in his train.

Magnificence and grace,
Excellent courtesy:
A brightness on the face,
Airs of high memory:
Whence came all these, to such as he?

Yet have I seen him live,
And owned my friend, a king:
And that he came to give,
He gave, and I, who sing
His praise, bring all I have to bring.

Lionel Johnson.

Don:
Even if I've known you long before
I came here I haven't much to say.
But of luck and lots of success.
I know you will make a good
Naval Air Cadet as everything
you put your mind into you do
good. Again I say "lots of luck."
Don't forget the good Christmas
program we had **Administration**
in the Lutheran church at White
Bluffs. So Long Don. always
be good - a friend

Junior Class History for 1942-1943

At the first class meeting of the school year the Juniors chose Mr. Lybecker as class advisor. The first major event of the year was the Junior Class Barn Dance. Good music and appropriate decorations combined with large attendance helped make this one of the outstanding dances of the school year. Attention was then centered on the play, "Guess Again," which proved to be a great success.

The last major event of the year was the annual Junior-Senior Banquet held in honor of the graduating class. The Juniors felt that they had accomplished a great deal for one year and have much to look forward to next year.

The following officers represented the class:

President	Harley Dirks
Vice President	Hito Hashimoto
Secretary	Allison Marti
Treasurer	Agnes Olson

Sophomore Class History 1942-1943

Sports

Football

This year the football schedule was somewhat curtailed, as were most sports, by the transportation restrictions due to the war. Considering the handicap of a limited schedule the boys had a very good season. Four outside games were held, two with Odessa and two with the Harder Bombing Range team. The win-loss column for these games was about even with two wins, one loss and one tie.

Two squads of boys turned out for practice and participated in some inter-squad games. The student body attended several inter-squad homeroom games and everyone agreed they were well worth while.

The team was coached by Mr. Earl Lybecker, who introduced a new philosophy stressing physical fitness. The team went through the season with fewer injuries than in previous seasons.

The boys who turned out were: Stan Johnston, Tom Johnson, Joe Newland, Burt Williams, Vernon Maier, Aaron Leisle, Don Smith, Howard Teske, Darrell Plager, Ed Faure, Jack Schaal, Del Borgens, Howard Selcho, Sam Edwards, Clarence Batt, Peter Weber, Jim Burkhardt, Reuben Batt, Stanley Telecky, Ken Heimbigner, Milton Klettke, Arnold Bierman, Harold Kramer, Lynn Langenheder, Harry Maier, Boyd Hille, Wilmer Kiesz, Donny Koch, Bob Harvey, Gerald Schafer, Walter Sauer, Bob Ott, assistant manager, Melvin Benzel, manager.

—Burton Williams

Basketball

The basketball season this year was very successful. For the first time in fifteen years Ritzville was represented in the Northeast District Meet at Cheney. At this meet the boys did very well considering the long interruption in practice schedules.

The team made a fine record winning nine out of twelve games. Stan Johnston was high scorer of the season with 68 total points, followed closely by Tom Johnson, who had 67 points. Jim Burghard made a total of 47 points in five games, which was the best game average. He totaled 19 points in one game which was the highest individual score run up by any Ritzville player this year.

The team was under the leadership of Captain Aaron Leisle who did a fine job. Earl Lybecker was the coach of this hard-working team.

Much interest was shown in intramural basketball this year. Two leagues were formed and the winners met to decide the final championship.

Members of the squad were: Freddy Lemonis, Roy Morrison, Aaron Leisle, Stan Johnston, Alvin Allert, Tom Johnson, Hito Hashimoto, Don Smith, Wilmer Kiesz, Ray Beringer, Arnold Bierman, Del Borgens, and Harvey Burghard.

—Walter Sauer

Spring Sports

Baseball

This year's basketball team was on the best in recent years. Mr. Lybecker, the coach, is confident that the team would have been a definite championship contender if the annual Bi-county League had been held.

In two games with Odessa, Ritzville won 17 to 6 and 24 to 2. Two home games were played with the Ramblers.

Vernon "Lefty" Maier acted as captain of the team and took charge of many of the turn-outs. Success of the team this year was due, to a large extent, to his efforts. As a pitcher he made a good record and the fact that he was a "southpaw" had a psychological effect on most batters. In ten innings Lefty struck out eighteen men. Aaron Leisle's assistance behind the plate made this combination hard to beat. Excellent support was always to be had from the infield and outfield consisting of Arlo Verner at first, Del Borgens at second, Ken Heimbigner or Harold Kramer at short, Pete Weber or Everett Horch at third, Howard Selcho in left field, Reuben Batt in center field, and Stan Telecky in right field. Along with this, the team was fortunate in having another pitcher and catcher namely, Irvin Scheller and Ray Borgens. Although lacking experience, they could always be depended upon to hold their own against any team.

A number of sophomores also turned out and gained lots of experience for years to come.
—Walter Sauer.

Boxing

Due to restricted travel conditions the R. H. S. boxing team was unable to make out a schedule of smokers as in previous years. An intramural smoker was held, which proved to be very successful and was well attended. Some good talent was shown by both junior and senior high school boys. The senior high boys who participated in the smoker were:

Harold Kramer	150	Burton Williams	150
Norman Kagele	165	Orval Telecky	165
Harley Dirks	135	Melvin Benzel	135
Boyd Hille	125	Wilmer Kiesz	135
Bobby Ott	125	Harley Nauditt	135
Harry Maier	120	Milton Klettke	120

—Burton Williams.

Track

The 1943 track team was small due to a number of ineligibilities. Coach Earl Lybecker was satisfied with their work though, because most of the boys were specialists in their events. Ritzville's representation in the District Meet was stronger than usual. Those who qualified in this meet were: Tom Johnson in the shot-put, discus and high jump; Don Smith in the mile; Harley Dirks and Bob Ott in the half mile; Reuben Batt in the javelin; Joe Newland in the high jump and broad jump; and Pete Weber in the low hurdles.

Tom Johnson broke the R. H. S. records in the shot-put, standing since 1933, and the discus, standing since 1931. Pete Weber surprised everyone by doing an excellent job in the low hurdles in his first year of track. The boys lost the Bi-county Meet to Davenport by the close score of 46½ to 42½. The winner of this meet was not decided until the final race was run. With so few meets, however, many of the boys did not reach pre-season expectations.

—Walter Sauer.

Tennis

Unfavorable weather conditions this spring resulted in a short tennis season. A meet was held in Odessa on May 21.

Some of the outstanding players this season were: Jean Ann Marti, Betty Schaefer, Jean Kastle, Vada Womack, Jean Womack, Stan Johnston, Sam Edwards, Glenn Rehn, Norman Kagele and Harvey Burghard.
