## SEASON SUMMARY

Coach Fred Strankman faced an insurmountable task in building a winning football team during the 1951 season. A good sized squad reported but over half of them were sophomores and freshmen. Many of these younger players including Danny Schwisow, Glen Tompkins, and Gary Liming starred for the Broncos.

Things look good for 1952, however, as only six Seniors will be lost, Harley Bauer, Stan Schroeder, and Jerry Weber all regulars will be missed. Other Seniors who were members of the team are: Richard Sperber, Tom Kadlec, and Wesley Bentz.
