DEDICATION

Our hallways and classrooms are where we occupy 1/3 of each school day. In 1975, this person graduated from these same hallways (even though they look differently now). He enjoyed playing and being part of State Champion teams for Lind High. His love for sports continued when he returned to become part of the coaching staff for football and basketball.

In July of 2001, he came back to help the Bulldog Spirit shine.

LHS could count on having a cheerful and "always ready to help" person who was available. . . .EVEN when we would "hide" the vacuum or cart, he would help us find "misplaced" backpacks.

Due to "budget adjustments" he was let go before our year completed. . . . nevertheless, we want to recognize this person.

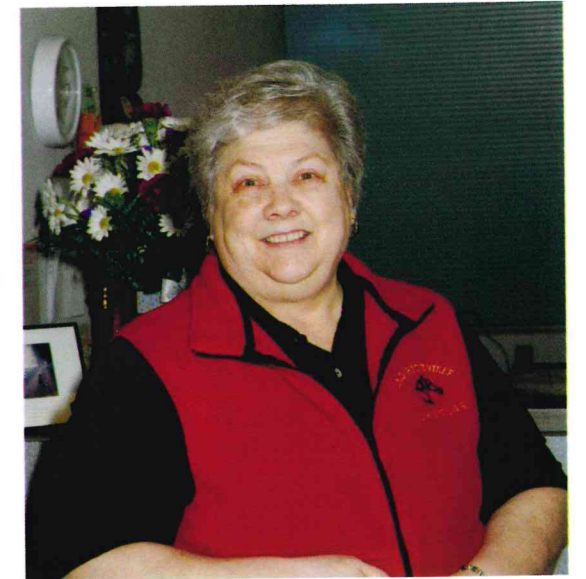

We proudly dedicate our 2009 yearbook to you, Mitch Phillips.

*We appreciate your time and dedication that you gave us.
LHS misses you!*

FOREIGN EXCHANGE STUDENTS

VAN HUYNH - VIETNAM

Van lived with Ms. Murphy and her daughter, Holly. Van made lots of friends. Sometimes she needed her "translator", Etelvina Huitron. Van joined in with the senior class. She participated in everything from class activities, pep rallies, to sports. She enjoyed playing softball in the spring.

DRAZEN GAZIVODA - MONTANAGRO

Drazen was a senior here at LHS. His host family was Mr. Louis Alcocer. He loved soccer—unfortunately it isn't offered here. He played basketball though. Drazen was a super weight training champ and could do a million pull-ups! Impressed everyone—especially the ladies! At semester time, he left the USA to graduate in his hometown in Montanagro.

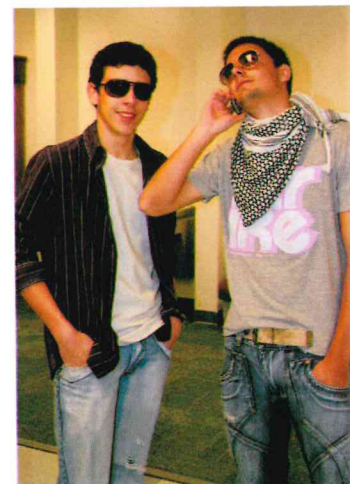

FELIPE CAMPOS - BRAZIL

Felipe enrolled as a junior and lived with Mr. Louis Alcocer. He loved soccer and played football. Emmy Bouwman taught him how wonderful chocolate tasted. The girls at LHS thought Felipe resembled "Nick Jonas" of the band "Jonas Brothers". He also utilized the Weight Room... working the muscles!! Felipe left at the semester to finish his year at his home.

LUIS ALEJANDRO EINAUDI MARTINEZ - MEXICO

Alejandro was part of the senior class and lived with the Ray Jenkins family. He was very out-going and like to have fun with his friends. While at Lind, Alejandro played some football. After a short stay with us, he moved to another small town, Washtucna. He finished the school year there.
