DEDICATION

The 1987 annual staff dedicates this years annual to Mr. Melvin (Mel) Hurst.

Mr. Hurst began teaching at RHS in September 1953. This was his first teaching job after graduating from Washington State University with a BA degree in Fine Arts.

Mr. Hurst retired in 1985 after having taught in the Ritzville School District. Subjects he taught included: American History, Ancient History, U.S. Government, and Washington State History. Of all the topics Mr. Hurst taught, he enjoyed teaching Ancient History and the senior level students most. Mr. Hurst advised the senior class, drama, Paper and yearbook, and Mel's Diner.

One of the most memorable and humorous incidents was while lecturing to a class (Ms. Kris Schwisow's) a fly flew into his mouth to the delight of the class. His most inspiring moment was the privilege to work with so many wonderful students.

Mr. Hurst's hobbies are traveling, painting, drawing, reading, gardening, swimming, walking, cooking and eating.

Mr. Hurst has advice for graduating seniors: Think for yourself. And whatever you choose to do — do it with class. Do it the very best you can. A quote that is special to Mr. Hurst is: To thine own self, be true. Wm. Shakespear

Coach Collins talks with the Defense.

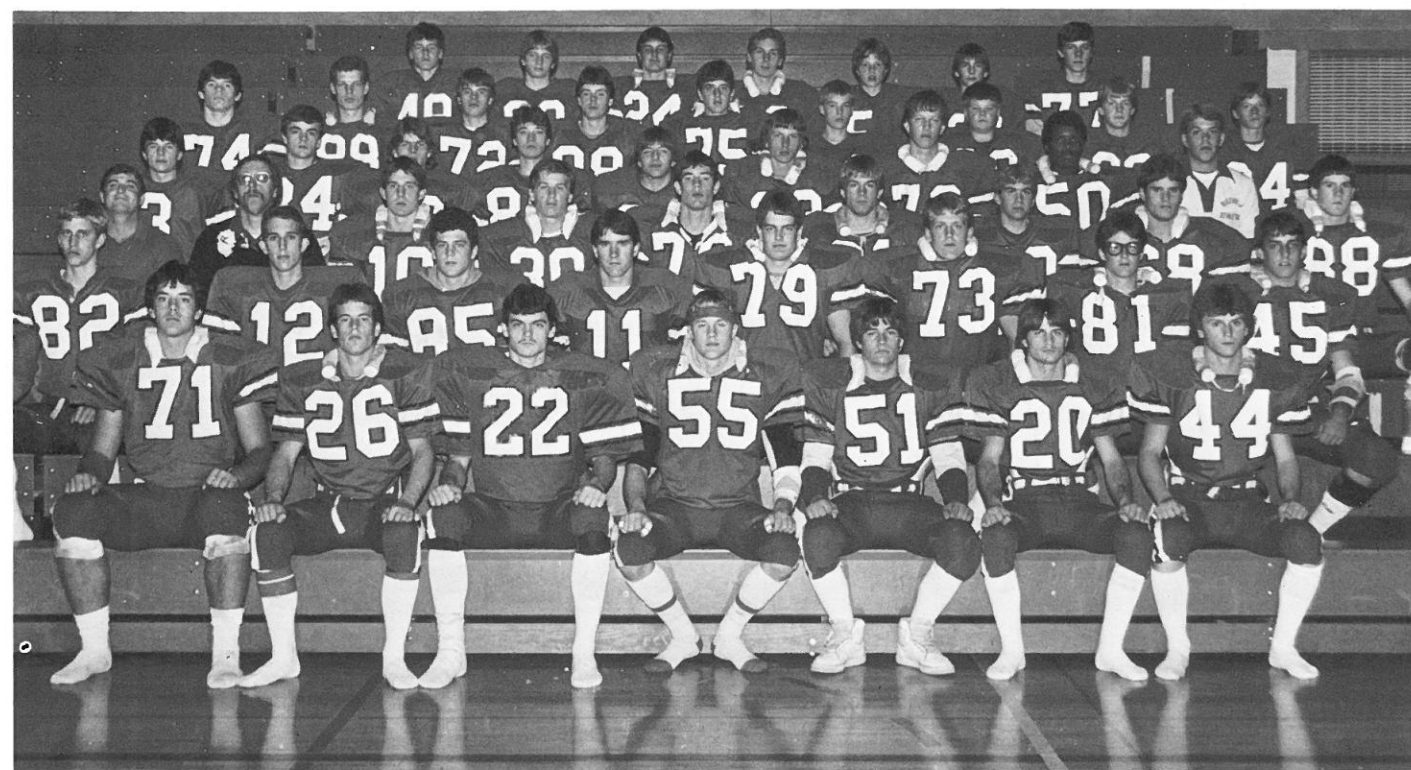

The Ritzville Broncos had a very successful season under the leadership of Head Coach Mike Lynch. The defense, headed by Coach Keith Collins, was considered one of the best in the state at the B-11 level. The Broncos finished second in the Bi-County League with a 4 and 1 record and a 10 and 2 record overall. The Broncos finished third in the state with big wins against Granger and Selkirk and a very disappointing loss to Liberty in the semi-finals. All in all the Ritzville Broncos kept up their winning tradition and played with excellent sportsmanship and determination throughout the entire 1986 season. Good luck in 1987!

'86 VOLLEYBALL

VARSITY V-BALL

RHS girls' volleyball did a fantastic job this year against rough Bi-County competition. The varsity squad had a strong defensive team. A fantastic close game that the girls had was with Reardan at our home tournament. Beating Freeman 15-0 at Bi-County was something the girls will always remember. Their season record was 8-4, while their league record was 9-11.

JV V-BALL

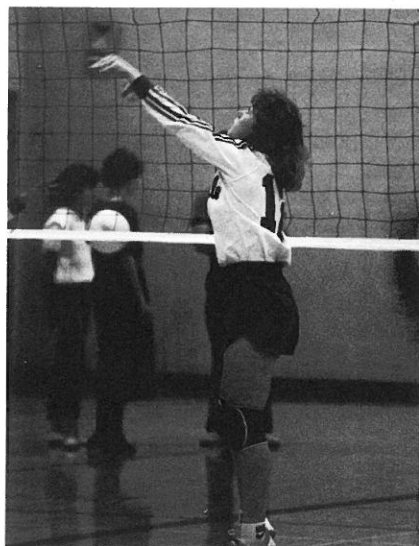

The junior varsity team did a super job this year. They were coached by Ms. Kris Schwisow. The junior varsity is going to be a big help for the varsity next year. They did an excellent job with defense and serving because of determination and hard work. The girls had one of the best seasons ever.

BRONCETTES

Broncettes is an honorary service organization made up of no more than 12 girls in the Junior and Senior classes in Ritzville High School. Every girl must have a 2.5 or above grade point average. Broncettes help to support our school by making posters and taking money at games. Broncettes add to R.H.S. school spirit and enthusiasm.

BOYS' BASKETBALL

The Ritzville Bronco's boys' basketball team during the 1986-1987 had a fun season with many learning experiences. The Broncos had a lot of close games this year with the Almira-Coulee-Hartline win one of the

biggest wins of the season. The Broncos made the Bi-county tournament with the team losing two very close games to bring the season to an end. Play hard and good luck to all the players next year.

Hang on Karla!!!

Future Homemakers of America is a national organization which emphasizes personal growth and the individual's desire to work towards change rather than towards a symbol of recognition, awards, or status. The goal of FHA is to help youth assume their roles in society through home economics education in areas of personal growth, family life, vocational preparation, and community involvement. This year was very busy for the Ritzville FHA. Among their activities were participating in the Donkey Basketball Game sponsored by the FFA; selling Homecoming Mums; holding a 50's mixer; and attending the State FHA meeting in Ellensburg. Our club was also fortunate to have the State President, Ellen Weber, as a member.

Future Business Leaders of America. The students of today are the leaders of tomorrow. FBLA is a group of students interested in business for the future, whether it's becoming an accountant or running your own construction business. They learn to be leaders and work together. Ritzville High School's FBLA attended many contests including Regionals at Spokane Falls Community College and the State Conference in Seattle, Washington. The students attend conferences where they learn about the business world of today. The world has a very bright future with leaders like these!

HONOR SOCIETY

The National Honor Society has established a reputation for excellence among administrators, faculty members, students, parents, and residents of the school community. Ritzville High School has upheld this reputation by the outstanding students who are members of the NHS. Scholarship, character, service, and leadership are ideals that are found and admired in these students. Through NHS chapter service activities, members maintain and extend the qualities that won them selection. Membership is thus both an honor and an obligation.

FROM THE EDITOR

From the Editor:
Much thought and hard work has gone into making this 1987 yearbook as memorable as this year has been, so I would like to take this opportunity to thank those people who have helped in the preparation of this new 1987 edition of the Kernel.

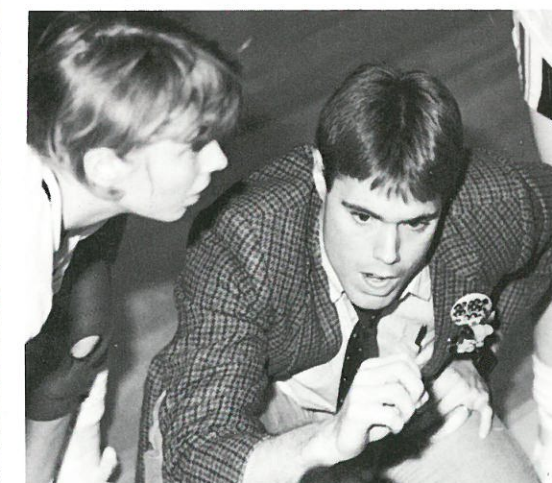

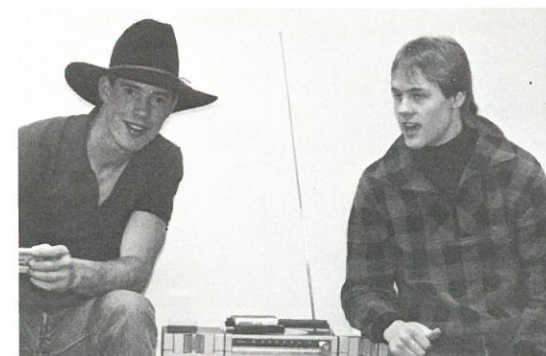

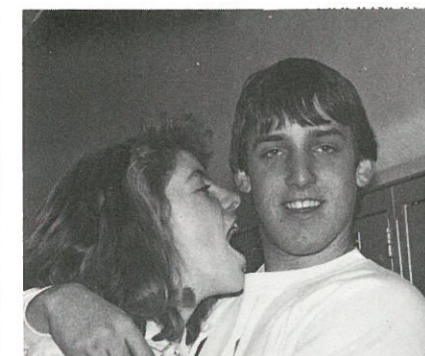

First of all I would like to thank the annual class, students of RHS and the faculty for their photogenic faces, time and patience to make this annual an exciting one.

Also let me take this time to acknowledge the hard work and special effort from the following people: first, Heather Nielson for her ideas, assistance and for sticking by my side; then to Mandy Talley, Kurt Schaefer, Todd O'Brien, Jennifer Saunders, and Mary Bartlett a big thanks for taking super pictures of students and everyone at RHS.

The high expectations of this year's staff was to create a better yearbook that portrayed the year, the students, and the faculty. I believe we have accomplished this goal. One way we accomplished this goal was by changing to a new company. This year Taylor Publishing has expanded our yearbook to a bigger and better one! The varied layouts also have added to the annual pages and reorganization of the book. Our cover and many candid and divider pages have been added to include more of the student body. The signature supplement was added to fulfill needed space for more memorable pages.

In conclusion, I would like to congratulate the Senior Class for their leadership this year at RHS. I would like to thank the annual staff for their effort to meet their deadlines which was quite an accomplishment.
