2016

Pillars of Appreciation Memorial Tree Program

City of Ritzville

Plant a Living Tribute

About the Program

The **Ritzville Pillars of Appreciation Memorial Tree Program** provides a meaningful way to remember and celebrate the lives of our cherished community members. By planting a tree in their honor, you contribute to the beauty of our city while preserving their memory.

How it Works

1. **Choose Your Tree:** Select the tree species you prefer from our available selection. All varieties thrive in the Ritzville area.
2. **Location:** We will provide you the location of the tree you sponsored once it is planted.
3. **Customize:** A personalized bronze name plate will be affixed to a stunning basalt memorial pillar at Ritzville City Park, accompanied by an illuminated USA flag, serving as a timeless tribute to your enduring love for future generations to cherish.
4. **Planting:** Our team will handle the planting process.

Tear-Off Pamphlet: Fill out the tear-off section and return it with your payment.

Cost

Each memorial tree costs **\$399**.

Your contribution covers a well established tree (6ft, 2in Diameter), bronze name plate, planting, and ongoing tree care.
